PROJECT LOCATION \_\_\_\_\_

NATURE OF PROJECT \_\_\_\_\_

In accordance with Massachusetts State Building Code 780 CMR 107.6 (MSBC):

I, \_\_\_\_\_ registration number \_\_\_\_\_  
Being a registered professional engineer/architect hereby certify that I have prepared or directly supervised the preparation of all design plans, computations and specifications concerning the **ENTIRE PROJECT** for the above mentioned work and that, to the best of my knowledge, such plans, computations and specifications meet the applicable provisions of the MSBC, all acceptable engineering practices and applicable laws and ordinances for the proposed use and occupancy.

I further certify that I shall perform the necessary professional services and be present on the construction site on a regular and periodic basis to determine that the work is proceeding in accordance with the documents approved for the building permit and shall be responsible for the following as specified in 780 CMR 107.6.2:

1. Review for conformance to the design concept, shop drawings, samples and other submittals by the contractor in accordance with the requirements of the construction documents.
2. Review and approval of the quality control procedures for all code-required controlled materials.
3. Be present at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of work and to determine, in general, if the work is being performed in a manner consistent with the construction documents.

I shall submit monthly reports to the Nantucket Building Inspector. Upon completion of the work, I shall submit a final report as to the satisfactory completion and readiness of the project for occupancy.
